# ABOUT

Inky Jane Studios, LLC houses the artistic musings of Heather Renne.

A frequent exhibitor at galleries, festivals, markets, and shops around the Midwest, Heather has worked in media as diverse as photography, assemblage, collage, and painting. Through it all she has maintained a constant antiquarian thread, inspired by objects, people, and stories of the past.

Heather is best known as the Founder and former Executive Director of the Minnesota Artists Guild, for her curatorial contributions to many of the areas best-known galleries and festivals, and for her dark, quirky humor.
